## **PARKING**

will be located right in front of the event entrance. You will be given parking passes as well as vendor passes so you may come and go as needed.

PLEASE review the 2018 Vendor Manual [HERE](#).

Event Daily Schedule may be found [HERE](#).

## **TIPS**

You may enter and exit the event if needed, you will receive vendor tickets to do so. Feel free to bring a buddy to sit with you for the day.

We recommend that you set your tent up with side walls to reduce the amount of dust and weather system exposure to your products.

You are welcome to leave your tent set up over night, however, we suggest that you leave it lowered to half mast overnight.

You may leave your product under your tent if you like.

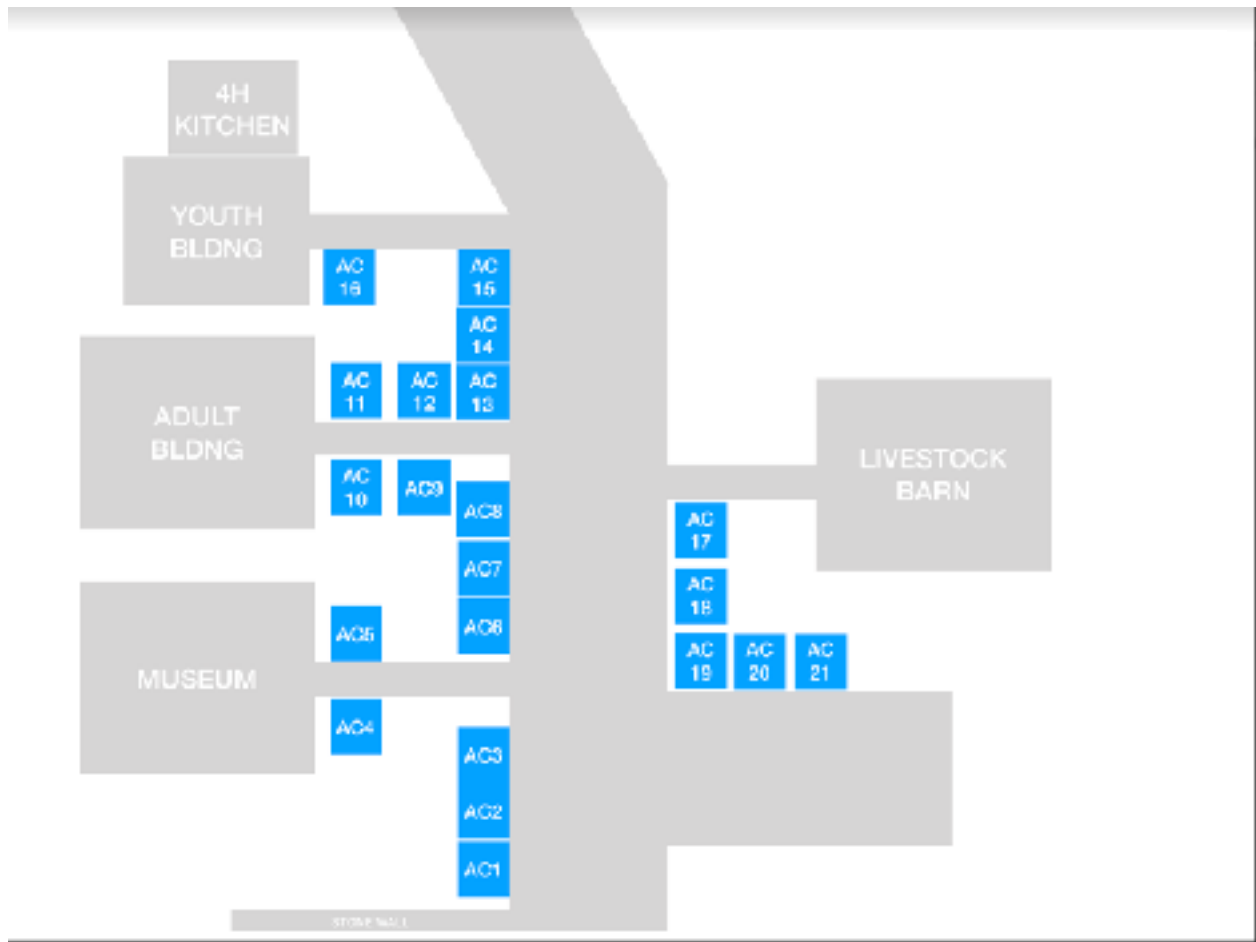

Some people keep their display in tact with product covered with tarps, others will store their product in bins under their tables overnight (with the tent at half mast).

Feel free to bring a cooler with food, drinks, sunscreen, bug spray, etc.

There will be ATM's nearby for those of you who only accept cash.
